Brown Bull Group

About us

Brown Bull provide Freight Forwarding & Logistics Services from India to World Wide Destinations. **Brown Bull Logistics Pvt. Ltd.** was founded in October 2007 in Mumbai (India).

Brown Bull has been providing custom clearance service since its inception with a partner firm D.K.Clearing & Shipping agency pvt.ltd. However Recently Brown Bull earned its own Custom Broker license and we have started our new company **Brown Bull Clearing pvt.ltd.**

Brown Bull has personnel with more than 20 years of experience in Custom Clearance & allied consultancy services. We have an experienced operations and sales team in Freight Forwarding and we are developing more business with our overseas partners. Our core businesses are mainly concentrated in consolidation services worldwide.

We understand the needs of customer and provide them transparent & efficient services. Our quest is to provide all our customers with maximum benefits and minimum costs.
